

SAVE THE DATES!
May 9 through 11, 2016

**The Adventist Human-Subjects
Research Association is pleased to
announce its Spring Conference to be
held at Oakwood University
Huntsville, AL**

**The conference theme is:
The Internalization of Faith**

We will explore:

- **What facilitates faith internalization from programs to relationships?**
- **What hinders faith internalization?**
- **What is the impact of faith internalization on mental health, physical health, risky behaviors, and decision making?**

**Please watch for the Request for Proposals
and registration material arriving February 10**
